Muskerry J2 v Ballincollig

Final Score 5- 27 to Ballincollig

On a cold but sunny Sunday morning, Muskerry played Ballincollig in Ballyanly. Muskerry started well, crossing the line within the first 5 minutes in full view of the entire sideline, but alas unseen by the referee. It was not long however before Muskerry's Jerry Cronin scored in almost the exact same position, thanks to some great work by the forwards. The conversion unfortunately fell short of the posts.

Ballincollig answered back however with 2 tries of their own before the end of the first half, adding one of the conversions. 5-12 at half time.

Muskerry were still in contention for the first 5-10 minutes of the second half, but after this Ballincollig started to come on strong and added 3 more tries to their tally ensuring that Ballincollig cemented their position at the top of the league table with the additional bonus point.

Strong performers for Muskerry were James O'Connor who tackled very well throughout the game, and Rob Collins, who playing his last game for Muskerry was quite athletic in the lineouts to say the least.

It is with regret that we say farewell Rob and best of luck in Perth.
